

CAPABILITY STATEMENT

COMPANY OVERVIEW

Pend Oreille Precision Machining LLC, has developed extensive expertise in 5 Axis milling complex parts for the Aerospace, Defense, and Medical industries. With a commitment to quality, precision, and innovation, we have positioned ourselves as a trusted partner for industries demanding the highest standards of precision machining. Our expert knowledge, experienced team, and cutting-edge technology allow us to deliver exceptional results to our clients.

Core Competencies

- **Complex 5 axis Milling:** We excel in complex 5 axis milling operations, crafting intricate components and parts to exact specifications. Our team of skilled machinists and engineers are adept at working with a wide range of materials, from metals to plastics.
- **Tight Tolerances:** At Pend Oreille Precision Machining, we understand the critical importance of tight tolerances in precision machining. We consistently achieve tolerances as tight as ± 0.0001 inches, ensuring the highest level of accuracy in every project.
- **Materials Expertise:** We work with a wide variety of materials, including but not limited to aluminum, steel, stainless steel, titanium, brass, and engineering plastics. Our expertise extends to exotic materials as well, making us versatile in meeting diverse project requirements.
- **Quality Assurance:** Quality is our utmost priority. We have implemented a rigorous quality control process, including in-process inspections and final inspections using advanced metrology equipment.

Differentiators

- Over 95% on-time and on-budget deliveries
- Proficient in complex machined parts and assemblies
- Expert knowledge in Geometric Dimensioning and Tolerancing

Past & Current Clients Include

- Pend Oreille Precision has a proven track record of successfully delivering precision-machined components to various industries, including Aerospace, U.S. military, Defense, Automotive, Medical, and more.
- Our clients including Lockheed, General Dynamics, NorthStar, CAT, Tesla and SpaceX consistently commend us for our reliability, quality, and ability to meet tight deadlines.
- Pend Oreille Precision LLC, is a trusted partner for expert machining with a focus on complex milling operations. Our commitment to precision, advanced technology, quality, and innovation sets us apart in the industry. We welcome the opportunity to collaborate with you on your next project and demonstrate our capabilities firsthand.
